

Announcement: AUTISM QUEST at AUTCON 2025

To
The Head of the Department
Department of Pediatrics,

04 Jan 2025

Respected Sir/Madam,

Autism Spectrum Disorder (ASD) is a critical area in pediatric care, with its prevalence steadily rising globally. Early identification and intervention are crucial for improving outcomes, making it imperative for pediatricians to be well-versed in its management. Understanding autism not only enhances the quality of care but also supports families in navigating their journey effectively. This quiz aims to foster deeper knowledge and awareness among pediatricians about autism care.

We are honored to invite the esteemed pediatric postgraduate students from your prestigious institution to participate in AUTISM QUEST, an exclusive Pediatric Postgraduate Quiz on Autism, organized as part of AUTCON 2025. This is an exciting opportunity to showcase knowledge, engage with peers, and enhance understanding of autism care and management.

Quiz Details:

1. Format: The quiz will be conducted in two stages:

- Preliminary Round
- Final Round

2. Preliminary Round:

- Date: 16th March 2025
- Format: Online via the MyQuiz app
- Details:
 - Teams of two will compete by answering multiple-choice questions.
 - The top five teams will qualify for the Final Round.

3. Final Round:

- Date: 23rd March 2025
- Format: In-person, held on the day of the conference at the AUTCON 2025 venue.
- Details:
 - The finalists will compete in an engaging, live quiz to determine the winners.

Team Participation:

- Each college may nominate up to two teams (two students per team).
- Participants must be Pediatric Postgraduate Students.

Awards and Recognition:

Winners will receive exciting prizes and certificates, along with recognition during the AUTCON 2025 conference.

How to Register:

- Nominations can be sent to autconconference@gmail.com
- Include the names of participants, college name, and contact details.

Contact for Queries:

- Email: drkani88@gmail.com or autconconference@gmail.com

We look forward to your esteemed institution's participation in AUTISM QUEST. Let's test knowledge, spark discussions, and advance our understanding of autism together!

With highest regards,

Dr. T Kanimozhi
Quiz Coordinator,
AUTISM QUEST,
