

6th Edition

NICE CONFERENCE on REHABILITATION

6th Annual Conference on Pediatric Rehabilitation

# “From Critical Care to Community - Reimagining Pediatric Rehab”

October 12, 2025 | Chennai

**HOTEL AADITHYA**

155/1, Arcot Road, Vadapalani, Chennai - 600 026.

- ▶ A landmark conference for pediatric rehabilitation and critical care
- ▶ Recovery from neonatal and pediatric intensive care is more than survival! It is about restoring function, confidence, and community life—from the NICU and PICU to home, school, and society.
- ▶ At NCORE 2025, the brightest minds in pediatric rehab, critical care, and developmental pediatrics come together to reimagine the entire recovery journey.

**Dr S.Subramanian**

GROWTH DEVELOPMENT &  
BEHAVIORAL PEDIATRICS

Help us make endless beginnings

6th Edition

## Why Attend?

*Whether your patients are neonates, infants, or older children recovering from critical care, you will leave with insights, connections, and tools to change lives.*

## Key Takeaways

- Cutting-edge Science - Gain the latest evidence guiding care from ICU to community reintegration.
- Renowned Experts - Learn from pioneers who are redefining pediatric rehabilitation.
- Interdisciplinary Networking - Build bridges with rehab specialists, intensivists, pediatricians, and developmental pediatricians.

## Who is it for?

- Neonatal & Pediatric Intensivists, NICU & PICU Teams
- Pediatricians & Developmental Pediatricians
- Pediatric Rehabilitation Specialists

NCORE 2025 will feature case discussions, evidence updates, and real-world strategies to support children across all intensive care settings, including NICU and PICU, on their path to recovery.

*Seats are limited for this single-hall, high-impact program*
